HOMESTEAD-SOUTH DADE

Chartered August 3, 1948

Dear Community Members,

Planning for the 2024 Kiwanis Club Homestead-South Dade Dolphin Days Family Fishing Tournament has begun! This year we are partnering with the Military Affairs Council to also support the military in our community. See included flyer.

Please join us in representing and benefiting one of the oldest Dolphin Fishing Tournaments in the South Florida area. This year we celebrate 75+ years of giving back to the community benefiting our youth and 38 years of hosting the tournament to fundraise for all our projects.

We are requesting sponsorships and donations from our valued business partners and the community. We would be pleased to have your name included among our many sponsors and friends supporting the event. We invite you to consider the benefits our tournament presents to your business and the community.

A list of organizations that the Homestead-South Dade Kiwanis Foundation supports is included in the pamphlet. These are local organizations in our area that primarily benefit children and other worthwhile causes. The Kiwanis Club's Annual Fishing Tournament is dedicated to helping and serving our community. Since the club's inception in 1948, over **One Million** dollars has been raised and put back into the community.

Activities will begin on **Thursday, June 6th, 2024** with the Captain's Party and final registration, held at the Homestead-Miami Speedway in Homestead, FL. The Fishing tournament is on **Saturday, June 8th, 2024** with the official weigh-in and the awards ceremony held at Homestead Bayfront Park in Homestead, FL. Please join us in celebrating the 39th Anniversary of our tournament in memory of Ed Glenn.

Like to Fish? Have clients or friends that do? Many of the Sponsorship levels include entry and discounts into the tournament. This event is a great opportunity to showcase our great fishing state to clients or enjoy a fun day out at sea with your family or friends.

Remember that the primary emphasis of all Kiwanis activities is "Kids Come First"; in keeping with that, **kids & active/reserve military fish free** in our event. This event is a great opportunity to spend a memorable weekend with your family.

Tournament Entry Forms and Posters will be distributed throughout South Florida and the Florida Keys. Additionally, our tournament is on many fishing related websites as well as our own www.dolphindays.org, Facebook, Instagram, and email blast campaigns. Sponsors will be listed on advertising, providing maximum exposure of your business.

We thank you for your consideration.

What is Kiwanis?

Kiwanis is a global organization of volunteers dedicated to changing the world one child and one community at a time. Kiwanis members help feed the hungry, mentor the disadvantaged, develop youth as leaders, help build playgrounds, raise funds for The Eliminate Project to eliminate Maternal Neonatal Tetanus (MNT), and much more. No problem is too big or small. Why? Because working together, members achieve what one person cannot accomplish alone. When you give a child a chance to learn, experience, dream, and succeed, great things happen!

Objects of Kiwanis

- o To give primacy to the human and spiritual rather than to the material values of life.
- o To encourage the daily living of the Golden Rule in all human relationships.
- o To promote the adoption and the application of higher social, business, and professional standards
- o To develop, by precept and example, more intelligent, aggressive, and serviceable citizenship
- o To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service, and to build better communities.
- o To cooperate in creating and maintaining the sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism, and goodwill.
